

IN THE MICHIGAN COURT OF APPEALS

ORDER

Re: **In Re Estate of Robert Charles Leighton**
Docket No. **266258**
L.C. No. **05-003378-DA**

Michael R. Smolenski, Judge, acting under MCR 7.211(E)(2), orders:

The motion to strike the appellant's brief on the basis that review is limited to the October 11, 2005 order is **DENIED**. The filing of the claim of appeal entitles appellant to raise issues related to the October 11, 2005 order as well as the earlier-entered order denying the motion for reconsideration.

The motion to strike the appellant's brief on the basis that it includes testimony outside the record is **DENIED WITHOUT PREJUDICE** to the filing of another motion before the case call panel.
